DSI launches official WeChat account

The Identification Services Bureau (hereinafter referred to as DSI) officially launches its official WeChat account on 8 January 2018. It will offer greater convenience to citizens in obtaining DSI's information. Through mobile devices like smart phone, citizens can now read the latest news published by DSI anytime and anywhere easily.

There are three main columns in DSI's official WeChat account; they are "DSI News", "Application Formalities" and "About Us". The "DSI News" column mainly shares the latest news and activities of DSI, and also information in regard to consular protection and immigration privilege of holders of Macao Special Administrative Region travel documents. In the "Application formalities" column, citizens can instantly check the formalities for applying for different kinds of documents and certificates. The "About Us" column introduces DSI's mobile Application, performance pledges, contact information and so on.

Citizens are welcome to follow the news published by DSI by searching "澳門身份證明局 DSI" or "dsimacau" in WeChat or by scanning the following QR code with their mobile devices.
