### DSI continues to extend location of round-the-clock self-service application and integrated kiosks

In order to respond to the development of society and the needs of Macao residents, the Identification Services Bureau (DSI) extends the location of round-the-clock self-service application for the Certificate of Criminal Record at DSI's electronic services area on the ground floor of China Plaza and at the Islands District Public Services Centre – Seac Pai Van Station. Such extension enables residents in various districts to go through application in non-office hours. Besides, applicants can choose to collect their certificate either at DSI or at the Government Services Centre.

Moreover, integrated self-service kiosks are now available on the ground floor of the Passenger Clearance Building at Macao Port on the Hong Kong-Zhuhai-Macao Bridge. At present, there are 70 integrated self-service kiosks covering 43 locations in Macao.
